To All Our Valuable Wholesalers:

At Oak Farms Nursery, we are constantly striving to give the best possible service to both our retail and wholesale customers. As you know, we recently implemented an online ordering system for our wholesale clients to improve the accuracy and efficiency of our ordering process.

In fact, it was a suggestion many of you made to us. Well, we listened.

However, since we introduced this process, it has not been used as expected. We know it works because some of you have actually placed orders and we've processed them faster and more accurately than many of the phone orders.

With this in mind, Oak Farms Nursery has created a new ordering policy.

A screenshot of the online ordering form. It includes sections for Billing Information (Company Name, Primary Contact, Company Address, City, State, Zip Code, Telephone #, Fax #, Email Address), Delivery Information (Today's Date, Requested Delivery Date, Method of Payment), and Product Request (a table with 5 rows for Description, Quantity, and container size). There is also a Special Instructions section with a Comments field and buttons for "Place Order Request" and "Reset This Form".

EFFECTIVE NOVEMBER 1ST, 2017, ALL ORDERS PLACED BY OUR WHOLESALE CLIENTS MUST BE SUBMITTED USING THE ONLINE FORM. ALL PHONE ORDERS WILL BE REFERRED TO THE ONLINE SITE.

THIS FORM CAN BE ACCESSED FROM YOUR DESKTOP COMPUTER, TABLET DEVICE OR SMARTPHONE WITH EASE AT WWW.OAKFARMSNURSERY.COM.

REMINDER: LOGIN ID: oakfarms PASSWORD: wholesale01

We all know change is sometimes difficult and problematic, but we are confident after you use the new system a few times, you will embrace it and it will become easier for you and your teams.

We have also added a new button on the homepage to help you login faster.

Thank you for your cooperation in helping OAK FARMS NURSERY improve the way we serve our valuable wholesale clients.
